

PVC Tablecloth Protector Table Cover Dining Table Cloth Plastic 2800x1170mm 2.0mm

RRP: \$239.95

Having access to a large, perfectly clear plastic tablecloth is a handy way to be able to protect your tablecloth during events such as children's birthday parties. Alternatively, it also acts as a fantastic way to protect your furniture or floor if you are undergoing any home improvements that can get messy such as painting, sanding or staining furniture. The material is malleable and easy to place on your belongings and can be altered to any shape or size you need. Easy to clean, simply give the protector a quick spray and wipe and it's good to go for your next event or home renovation job.

Features and specifications:

- Size: 2800mm x 1170mm
- Thickness 2mm
- Weight 8.5kg
- Large size and wide design allows it to fit a variety of surfaces including dining tables, wooden tables, glass, marble, stainless steel tops, office desktops, writing desktops, coffee & end tables, TV bench, dressing tables, nightstand, countertop, hard floor etc
- The PVC material is easy to clean and features a reusable design that allows you to wipe off the plastic tablecloth protector
- Can be easily stored away for future use
- Transparent nature is a great way to show off a feature tablecloth under the tablecloth protector
