

## 12-Door Locker for Office Gym Shed School Home Storage - Padlock-operated

RRP: \$919.95

The best secured storage locker solution for your multiple user needs! Perfect for offices, dorms, gyms or spas and institutions like schools and hospitals. You can purchase additional units as the need arises and still maintain a standard look throughout your establishment.

The unit has 12 individual locker compartments stacked in a 3 x 4 grid. Each locker provides ample space for personal items – and can hold up to 30 kg. Built-in ventilations slits keep the stored items from smelling musty. Users may also customise their locker with a name tag or label in the designated slot provided. This comes comes with padlock-operated lock to ensure safety of your belongings.

The whole unit measures 180 x 90 x 36cm and is constructed with solid, cold-rolled steel plates for strength and durability. The steel plates are not just painted - they're powder-coated for maximum resistance to rust and corrosion. Powder coating also provides that durable, smooth, attractively industrial finish.

The locker can be up and ready in just minutes, thanks to the simple assembly design.

### Features of Padlock-operated Lock:

For superb security for yours or your customers' belongings, you can't go wrong with this tough padlock-operated lock by Salvatore Angelotti. Crafted from durable metal, it's sturdy enough to hold up under even constant use. It's easy to operate – simply take the open padlock, slide it down into the lock mechanism, and swing it closed. It's every bit as break-in resistant as it looks.

It's also moisture resistant, thanks to a finish that makes it an excellent

solution for storage in gyms and swimming pools – anywhere where moisture is an issue. Heavy-duty metal makes it nearly impossible for would-be thieves to crack. It's the perfect lock for lockers in hotels, offices, factories, or even at home. Use it in your garage with its matching locker to stash expensive tools or in a wardrobe to keep coins, jewellery, and other valuables safe. Keep your customers' belongings – and your own – safe and sound. Order your lock today!

**Note:** Padlock itself is not included. Locker assembly required; instructions and hardware included.
