

12-Door Locker for Office Gym Shed School Home Storage - Standard Lock with Keys

RRP: \$879.95

The best secured storage locker solution for your multiple user needs! Perfect for offices, dorms, gyms or spas and institutions like schools and hospitals. You can purchase additional units as the need arises and still maintain a standard look throughout your establishment.

The unit has 12 individual locker compartments stacked in a 3 x 4 grid. Each locker provides ample space for personal items – and can hold up to 30 kg. Built-in ventilations slits keep the stored items from smelling musty. Users may also customise their locker with a name tag or label in the designated slot provided. This comes comes with standard locks (with 2 keys each) to ensure safety of your belongings.

The whole unit measures 180 x 90 x 36cm and is constructed with solid, cold-rolled steel plates for strength and durability. The steel plates are not just painted - they're powder-coated for maximum resistance to rust and corrosion. Powder coating also provides that durable, smooth, attractively industrial finish.

The locker can be up and ready in just minutes, thanks to the simple assembly design.

- Recommended weight capacity: 30kg per locker

Features of Standard Lock with 2 Keys:

Made with heavy-duty metal, this lock is extremely durable and resists corrosion. This secure lock from Salvatore Angelotti will hold up even under heavy use. Its finish resists moisture, making it a great choice for moisture-prone locker rooms with sinks, showers, toilets, and other facilities. Its simple design ensures that users won't have to remember numerical combinations, yet its tough construction protects your lockers

from break-ins.

Reliable and strong, this lock allows you to give one key to the user and keep the other in a safe location, allowing you to access the contents if the user loses the key or leaves without turning in the key. It's an excellent alternative to combination locks for offices, gyms, or schools. Use it at home in your garage to secure valuable tools. Or, use it to lock a locker inside a wardrobe in your bedroom to keep jewellery, coin collections, or other valuable items safe.

Note: Each Lock on the unit will come with two keys. Locker assembly required; instructions and hardware included.
