

Wall Mounted 5 Arm 26m Clothes Airer Folding Concertina Cloth Dryer Washing Line

RRP: \$144.95

Let's face it, washing isn't the most exciting of chores, and the best thing about doing laundry is having clothes ready to wear again. With Randy & Travis Machinery's wall-mounted folding clothes airer and dryer, you'll have clean, fresh and dry clothes in no time. With its sturdy aluminium and strong PVC line, you'll enjoy a lightweight yet durable product that won't be damaged by strong winds or weather. It's perfect if you're worried about space or only have a small garden, as it features a simple folding design allowing you to store it away when not in use. And while it's compact, it's also remarkably spacious – able to accommodate up to 10kg of washing, with an ample 26m of drying space available.

Check out these fantastic features of our wall-mounted clothes airer and dryer:

- **Lightweight:** Made from sturdy yet lightweight aluminium, our airer and dryer is perfect if you're looking for a light, strong line
- **Durable:** With its high-quality natural coating, our airer dryer is designed to withstand the elements and the weather
- **Foldable:** The airer dryer can be folded away for easy storage when not in use
- **Mountable:** It comes with its own mounting kit for easy affixation to the wall
