

## 85cm Dish Drying Rack Drainer Over Sink Steel Cup Cutlery Organizer 2 Tier

RRP: \$129.95

Organise your kitchen and save on space with Randy & Travis Machinery's over-sink dish drying rack. A two-tier rack made from water-resistant coated steel, the rack tidily stashes crockery, cutlery, detergent and cleaning materials, as well as incorporates a compartment for fruit and veg storage.

Hygienic, easy to clean and benefiting from a stable design, the rack is a good fit with almost any sink. The drainer has a modern aesthetic that adds visual appeal to your kitchen, at the same time as providing a practical storage solution.

### Features:

- Separate storage areas for utensils, bowls, plates, detergent/handwash and vegetables or fruit
- Above the sink, space-saving storage - ideal for compact kitchens
- Durable, coated steel that's resistant to water damage
- Stable design with anti-slip feet

### Specifications:

- Material: Coated steel
- Dimensions: 52.0cm H x 85.0cm W x 31.5cm D
