

Vinyl Floor Tiles Self Adhesive Flooring Smoked Eucalyptus Wood Grain 16 Pack 2.3SQM

RRP: \$109.95

There's nothing like the rich brown tones of wood flooring to create a look of instant luxury in your home. However, natural timber is costly – and difficult to care for. And, you can't use natural timber in high-moisture areas like your kitchen, bathroom, or laundry. They're self-adhesive, so they're easy to install, even if you're an amateur DIYer. With these textured wood-look vinyl planks from Randy & Travis Machinery, you'll have the most beautiful floors in your polishing and pampering a real-wood floor.

As durable as they are beautiful, this wood-look flooring is super-easy to clean and care for. Just use a vacuum cleaner with a soft brush or a soft broom – or use warm water and a gentle detergent for a deeper clean. You'll never have to wax or polish. Just give it a quick clean now and then, and it will provide you with years of service. With no formaldehyde or other dangerous fumes, these vinyl planks are safe for your whole family from day one. Get the look of natural timber without the hassle for your home. Order your plank flooring today!
