

5x Office Chair Rollerblade Caster Wheels Safe for All Floors - Universal Fit

RRP: \$69.95

Whether you work from home, from an office, or both, you need office chair caster wheels that won't destroy your floors. These classic office chair wheels from Randy & Travis Machinery are the perfect solution. They're safe for every type of flooring – including hardwoods, thanks to their rubber material. Although they're built to last, they're gentle on your floors.

Done in rollerblade style for a universal fit, this set of five wheels are built to last a lifetime. With all their internal parts and support bracket crafted in high-grade steel, these caster wheels will provide you with years of maintenance-free service. With a maximum weight capacity of 122kg, they can accommodate people of all sizes. Their precision ball bearings allow them to roll quietly, reducing the noise levels in your office. Designed with a standard stem with rollerblade-style wheels, they should fit chairs of practically any style. Keep your floors looking like new. Order yours today!
