

## Australian Flag Heavy Duty Woven Spun Poly Australia Flag Metal Clips

RRP: \$44.95

Introducing our highly resilient flag, crafted from a robust woven polyester fabric that surpasses all others in terms of durability.

Through a meticulous heat treatment process, the flag not only boasts a visually enhanced print, but it also secures the ink onto the material, ensuring its resilience against harsh weather conditions for prolonged longevity.

Designed with 100% bleed-through capability, the flag exhibits consistent coloration on both sides. It features four lines of reinforced stitching along the edges and is equipped with two brass sister clips attached to the rope. It's important to note that the clips on the flag are closed; hence, if you intend to mount the flag on a pole, please ensure that the clips on your pole are open.
