

## 10 Tier Black Shoe Rack Metal Shoe Storage Organizer Rack 50-Pair Large Capacity

RRP: \$104.95

Are you tired of seeing shoes scattered all over the floor? Our 10-tier shoe rack offers a practical solution by providing ample storage space for every member of your family. From adult shoes to children's shoes, flats to sneakers, and even high-top shoes, this sleek and functional metal shoe shelf will offer them a sturdy "home."

**Quality and Ideal Size** - Crafted from high-quality metal material, our shoe storage rack ensures durability and stability. It has a substantial weight capacity, making it resistant to breakage and collapse. Unlike plastic or non-woven fabric shoe racks, our steel tube construction ensures strength and eliminates wobbling.

**Generous Capacity & Space-Saving** - Despite its compact footprint, this shoe stand maximizes vertical stacking, optimizing space utilization. It can hold approximately 35-50 pairs of shoes, making it suitable for most families. (Since shoe sizes vary, we cannot provide an exact count, but rest assured, if you need a large-capacity shoe rack, this is the perfect choice!) With ten layers available, there's no need to worry about running out of space.

**Removable and Height-Adjustable** - Each shelf of our shoe rack can be easily disassembled to accommodate various occasions. You can customize the number of tiers based on your storage requirements and available space. Moreover, removing one layer allows you to store high-top shoes, boots, and heels without causing any bending. It can be placed in closets, entryways, doorways, corridors, and more, making your home spacious and tidy.

**User-Friendly** - Our Randy & Travis shoe organiser is designed for easy assembly and disassembly. It includes all the necessary tools and an installation manual to ensure a hassle-free setup. To prevent the shoe rack from loosening, make sure all parts are tightly secured without any gaps.

Say goodbye to cluttered floors and welcome a tidier, more organized living space with our convenient and stylish shoe rack!
