

Gardening Seat Portable Height Adjustable Folding Stool Kneeling Pad

RRP: \$129.95

This garden stool features an adjustable height that is specifically designed for working at ground level, raised beds, or garden beds.

This lightweight rolling garden chair is not only adjustable but also easy to carry. With its steel worm core structure, you can easily adjust the height from 230mm to 350mm.

Equipped with specially designed "anti-roll" non-pneumatic wheels, it offers 360-degree rotation, ensuring stability, balance, and comfort for effortless maneuvering.

Specifications:

- Colour: Blue
- Frame: Galvanized pipe
- Seat: PP plastic seat pad
- Wheels: Non-pneumatic
- Bearings: Stainless steel
- Loads rating: 100kg

*Note: The colours may have a little difference due to different monitor display settings. Please check as much as possible to make sure the item is the one that you need. Please allow 1-2.5cm difference due to manual measurement.
