

Bedside Table Side Nightstand Storage Drawer Shelf Bedroom Unit

RRP: \$119.95

Introducing our exceptional bedside table that stands out from the rest. The Randy & Travis Bedside Table offers a unique combination of a drawer and additional shelving space, allowing you to conveniently store all your bedside essentials and more.

Crafted with solid 12mm MDF, this bedside table is not only highly functional and long-lasting but also showcases a stylish appearance that effortlessly complements any bedroom decor. Its versatility extends beyond the bedroom as well, making it a perfect storage solution for your study or living room.

We believe that the little details make a big difference. That's why our Bedside Table features safe rounded corners, anti-rust coated metal slides for smooth and reliable operation, and a cut-out handle for a sleek and seamless design.

With its universal appeal, our Bedside Table seamlessly blends into any home decor with ease. Order yours today and enhance the functionality and style of your living space.
