

Modular Wire Storage Shelf 450 x 450 x 1800mm Steel Shelving

RRP: \$289.95

Say goodbye to your organization worries at home and work with the robust and long-lasting four-shelf storage unit.

When it comes to strength and dependability, this four-shelf storage unit excels. Crafted from Syncrosteel plated steel, it is designed to withstand the test of time. The wire shelving adds a sense of lightness and mobility, granting you unmatched versatility to adapt to your ever-changing requirements.

The timeless design of this four-shelf unit makes it a perfect solution for various storage needs. Whether you need to organize your belongings at home, in the office, shop, garage, or workshop, this unit has you covered. Utilize the generous shelves to tidy up personal items in your garage or kitchen, or neatly store tools and equipment for easy access and clear visibility.

With adjustable legs, this unit ensures both security and stability. You can customize the shelf height to suit your specific needs, thanks to the adjustable shelves. The raised edges of the shelves provide an extra layer of assurance, keeping your items securely in place as you arrange them.
