

Modular Wire Storage Shelf 350 x 350 x 1800mm Steel Shelving

RRP: \$269.95

Transform your workshop into an organized haven where your tools are readily available, thanks to our convenient shelving unit!

Crafted from durable steel, this four-shelf unit is built to withstand the test of time. Its spacious wireform shelves offer ample storage space for your tools and equipment, while ensuring they remain visible and easily accessible.

Not only is this four-shelf unit robust, but it also provides mobility. Its lightweight and compact design allow you to effortlessly move it around to suit your ever-changing needs.

This storage solution is incredibly versatile, catering to the specific storage and display requirements of your workshop. Each shelf can be adjusted individually, and they feature raised perimeters to prevent your items from slipping. Plus, the adjustable legs guarantee a stable footing even on uneven floors.

Bid farewell to the hassle of organizing your shop. Place an order for our dependable four-shelf shop unit today, and experience a seamless transformation!
