

Office Home Computer Desk Table Top with Cable Hole

RRP: \$129.95

If you're on the look out for a top for your custom standing desk or table, or a standard one for your needs, you can't go wrong with this Palermo table top done in classic black. Its stunning yet simple beauty lends an air of authority to your existing office or home furniture. With its contemporary, streamlined design, this desktop gives your office or study an instant update without all the hassle of a remodel. Crafted from durable MDF, it features rounded corners for safety, while its cable hole organises your wires, making tangled wires yesterday's news. Generous in size, it offers space for not only your devices, but your reading material, mail, and even a photo of the kids! It's easy to clean — just a quick wipe with a damp cloth, and it's done. If you've been wanting to redo your office, now's the time!
