

Non-stick Frying Pan Cast Iron Steak Skillet Round BBQ Grill Cookware 30cm

RRP: \$69.95

Introducing the Non-stick Frying Pan Cast Iron Steak Skillet, a versatile cookware option suitable for all cooktops, including induction. This high-quality skillet is crafted with a classic cast iron design, ensuring durability and a timeless appeal.

Manufactured by the reputable brand Randy & Travis Machinery, this skillet features a large cooking surface, measuring 29.7cm in diameter, and a depth of 5.5cm. Its wide width of 31.8cm, including the pouring spouts, and length of 46cm (including handles) make it easy to handle and maneuver.

Designed to last a lifetime, this skillet is professionally pre-seasoned, offering a non-stick surface that enhances cooking performance. The double pouring spouts provide added convenience during cooking and serving.

Not only can this skillet be used on stovetops, but it is also oven, grill, and pizza oven safe, offering versatile cooking options. Its robust construction makes it ideal for outdoor activities such as camping and open flame cooking.

Included in the package is one cast iron skillet frying pan, weighing approximately 3.5kg. With its superior craftsmanship and multi-purpose functionality, this skillet is a must-have addition to any kitchen.
