

X Banner Stand 180 x 90cm Portable Display

RRP: \$59.95

Whether you're preparing for an important trade show, a bustling promotional event, or any other advertising opportunity, our X-banner stand is the ideal choice to ensure your message is seen and remembered. Invest in our high-quality X-banner station and make a lasting impression on your audience.

Installation and transportation are a breeze with our easy-to-use X-frame banner stand. Need to replace the posters? No problem, we offer poster replacements for your convenience. The package includes a black nylon travel bag to ensure easy portability. Please note that this product includes the stand only, and graphics are not included.

The branches of the stand are designed with excellent flexibility, allowing them to be easily bent as needed. All plastic parts are constructed from high-quality transparent polycarbonate (PC) material, ensuring durability and reliability.

Our X-frame banner stand is primarily intended for indoor use and is well-suited for most indoor environments. However, in the case of strong winds, we recommend reinforcing the stand with heavy weights to maintain stability and prevent tipping.

Built to withstand rugged conditions, our banner stands are durable and sturdy, making them suitable for a variety of applications such as supermarkets, trade shows, restaurants, and store displays. They are designed to grab attention and withstand the demands of busy advertising venues.
