

8" 1000W Portable Bluetooth Speaker Subwoofer Heavy Bass Sound System

RRP: \$149.95

Experience powerful sound wherever you go with this versatile outdoor Bluetooth speaker. Perfect for home, parties, and a wide range of outdoor activities including travel, kitchen adventures, and camping trips. Its highly efficient 8" woofer and 1" tweeter deliver deep, resonating bass alongside clear and vibrant mids and highs, even at high volume levels. Get ready to immerse yourself in your favorite party tunes as the bass fills the air with natural low vibrations. With the ability to connect wirelessly to your smartphone, iPod, tablet, or any compatible Bluetooth device within a range of 10m, you can keep the music flowing without restrictions.

No Bluetooth device on hand? No problem. Simply plug in a flash disk, micro SD card, or connect your 3.5mm audio device such as an MP3/MP4/5 player to enjoy your favorite tracks hassle-free.

This speaker also offers intuitive sound settings including ECHO, VOLUME, and MIC controls. The built-in rechargeable battery provides up to 5 hours of playtime at medium volume, and its sturdy top handle and telescopic carrying handle make it easy to transport wherever the party takes you. Let the music be your companion and amplify the fun wherever you go with this remarkable Bluetooth speaker.
