

Bedside Tables Side Table Nightstand Storage Drawer Shelf Bedroom

RRP: \$94.95

Introducing our exceptional bedside table, the Randy & Travis Bedside Table, designed to elevate your bedroom experience. With its unique features, this bedside table stands out from the rest.

Boasting a practical drawer and additional shelving space, it provides ample room to store all your bedside essentials and more. Constructed with 12mm thick boards, this bedside table is not only highly functional and durable but also exudes a stylish appearance that complements any bedroom decor. It is versatile enough to be used as a drawer-cum-shelving unit in your study or living room as well.

Attention to detail sets this bedside table apart. It features safe rounded corners for added safety, anti-rust coated metal slides for smooth drawer operation, and a sleek cut-out handle that adds to its clean and modern aesthetic.

The Randy & Travis Bedside Table effortlessly blends with any home decor, offering both ease and perfection. Choose from three exquisite colors to match your personal preference and enhance your living space. Experience the difference today!
