

Wall Mounted Dog Bowl Adjustable Height Pet Feeder

RRP: \$99.95

Introducing the Elevated Pet Feeder Stand – a single solution for pets of all life stages!

Its adjustable heights ensure a perfect fit for small, medium, and large dogs, cats, and any other four-legged companions. This stand evolves with your pets from playful puppies to mature adults.

Each set includes two high-capacity stainless steel bowls that are easily removable, allowing pets to dine and drink simultaneously.

Crafted entirely from 100% stainless steel, these bowls uphold exceptional hygiene standards. These are also dishwasher-safe, facilitating effortless cleaning and meeting your pets' daily dietary and hydration needs.

The stand can be securely affixed to the wall, and its bowl holder features a special locking system, ensuring stability during mealtimes and minimizing feeding-related noise. This setup provides a serene and comfortable dining space for your beloved pet. Elevated bowls prevent contact with the floor, reducing exposure to dirt-prone areas and creating a clean and secure feeding environment for your furry companions.

Specification:

- Material: Stainless steel
- Dimensions: large bowl: 22cm, small bowl: 18cm
