

360 Rotating Bookshelf Bamboo Storage Display Rack Shelving in Dark Wood

RRP: \$344.95

This vertical mesh hollow-out bookshelf offers an additional platform for organizing your books, or any other collection.

With a 360° rotating board at the base, accessing your preferred book or item had never been more convenient.

Boasting six storage shelves and an open design, it facilitates logical and flexible spatial allocation, and the minimalist design will complement any interior. The versatile bookshelf suits various locations including bedrooms, living rooms, studies, offices, libraries, schools, and more. Each compartment's depth accommodates most books and magazines, while also serving as storage for everyday items, both decorative and functional.
