

## Tree Life Wall Decoration Metal Tree Wall Sculpture

RRP: \$109.95

Are you in search of decorations for your home or shop? This Randy & Travis Machinery hanging iron artwork presents an excellent option for you. The design features a complete Tai Chi Bagua motif, where the roots of the tree occupy the black section of the Bagua, while the branches extend into the white portion. The elongated roots symbolize unyielding vitality, embodying the true essence of the tree of life.

Crafted entirely from metallic iron, the metal tree of life decoration exudes an iron appearance that imparts a vintage charm. Meticulously designed, it showcases intricate details that captivate the eye. The Tree of Life Metal Wall Decor serves as an ideal choice for gifts, be it for your family or friends, allowing them to embellish their homes with these thoughtful tokens.
