

## Kids Tent Montessori Toddler Floor Bed Wooden Bedframe

RRP: \$359.95

The Palermo Montessori Kids' Bed plays an essential and delightfully engaging role in the Montessori Bedroom.

This bed fosters a sense of freedom, independence, and mobility for children. It empowers them to explore their surroundings, get up, and move about without the worry of falling off. Even little ones can independently access the bed, climb in and out, all without needing parental assistance. For older children, it becomes a play space, transforming into a miniature playground of sorts.

Beyond play, this bed also encourages the development of healthy sleep routines, ensuring your child's comfort and happiness every day.

Crafted from premium natural pine wood, with slats made from finely polished plywood, our bed meets the highest standards of quality. Rest assured, every component is free from harmful substances and allergens.

Each piece of this product is meticulously hand-polished, ready to provide a secure and enriching environment for your child.
