

Pine Wood Floor Bed House Frame for Kids and Toddlers

RRP: \$369.95

The Palermo house bed is crafted from pine wood, renowned for its natural quality and durability. Each component of our product undergoes hand polishing to guarantee its pristine condition.

This toddler's bedroom furniture is a valuable asset for parents, offering not just a comfortable sleep space but also catering to a child's instinct to climb and play independently. It serves as a charming addition to any kids' bedroom decor and can be a significant milestone in your child's growth journey.

Empower your little one to personalize their first "home" according to their preferences, promoting comfort in their daily routine. This bed frame effortlessly blends functionality with style, becoming a captivating focal point in your toddler's room and a symbol of their transition into a new phase of childhood.

*Note: Mattress and bedding are NOT included. Kindly allow variance in dimensions due to manual measurement and that the frames are handmade.

Features and specifications:

- For added safety, all corners of the bed have been carefully rounded
- Flexibility to position the adjustable chimney on either side, accommodating your specific requirements
- You can add additional slats as these improve air circulation between the mattress and the floor
- Fits Australian standard king single mattress
- External Dimensions of frame: 206.5 x 110.5 x 95cm (LxWxH)

Attributes:

- Size: King Single
- Colour: Wood
