

Kids Art Wood Frame Children Art Projects Display Hold 150 Pictures

RRP: \$44.95

Magnetic Front-Opening Kids' Art Frames by Randy & Travis: Easily Changeable Frames for Displaying Children's Posters, Photos, Drawings, Paintings, and Pictures as Home Decor.

Our art frame boasts a 36 x 29.7cm outer border and a 32.1 x 25.8cm inner border, offering an ideal display size for small artworks. It can comfortably store anywhere from 50 to 150 artworks, depending on paper thickness. Crafted with care, our children's art projects feature high-quality glossy acrylic sheets and environmentally friendly MDF frame molding, ensuring a clear view and an artistic ambiance for your pieces.

This unique design includes a double fixed picture-painting arrangement and a black elastic band with metal pins to securely hold your artwork in place. The magnetic closure switch allows for easy opening and closing, and four sawtooth hangers on the back permit both horizontal and vertical placement.

Our art frame is perfect for displaying kids' paintings, photos, postcards, scrapbooking creations, concert tickets, collections, or cherished memorabilia. Let your creativity shine by crafting your own unique artwork to brighten up your life and surprise your children, family, or friends.
