

Jumbo Portable Puzzle Accessories Jigsaw Boards, Sorters, Mats

Out of Stock: \$54.95

The jig roll simplifies puzzle storage and transport effortlessly. Assemble your puzzle on the custom puzzling felt, then when it's time to pause or stow it away, just roll the felt around the tube and secure it with the provided straps.

This specially designed fabric ensures all the pieces stay put. Fasten the straps for secure storage and easy transportation, erasing worries about misplaced pieces or where to keep your unfinished puzzle. It accommodates most standard puzzles up to 3000 pieces, streamlining your puzzle-solving experience.

For optimal enjoyment, use it on smooth surfaces. The fabric features a designated puzzling area as a helpful guide for assembling your puzzle's edge pieces. When not in use, disassemble the tube into three parts and tuck the felt inside one of them to minimize clutter.

*Please note, jigsaw puzzle not included.
