

## XL Dog Bed Chew Resistant Waterproof Heavy Duty Kennel Run Tough Robust

RRP: \$199.95

Our dog beds stand out as the sturdiest and most resilient in the market, prioritizing both safety and comfort for your canine companion.

Measuring an XL size of 120 x 100 x 10cm and utilizing a specially coated nylon cover, our dog bed boasts exceptional strength and durability. Unlike alternatives, our bed is completely sealed, eschewing zips or Velcro. Its waterproof material makes it ideal for outdoor use, even in muddy conditions. A swift hose down and it's ready to return indoors, thanks to its effortlessly clean fabric.

Our dog beds seamlessly transition from workplaces to kitchens, living rooms, and gardens. Perfect for the back of a pickup, Land Rover, or any car boot, they accommodate various settings.

The dog bed incorporates a soft to medium fiber density interior, providing optimal support for dogs of all ages. Committed to quality, our brand employs the finest fabrics, with the dog bed featuring a 600gsm double-sided coated polyester material.

Our tough, chew-resistant dog beds are as rugged as they come. Tailored for diggers, active, working, dirty, and wild dogs, this bed meets the demands of the most adventurous canine companions.

### Washing instructions:

With the tough heavy duty fabric we use, we recommend washing with warm water and a cloth. If needed, it can be jet washed on low pressure.

\*Note: If your dog is a notorious chewer, this bed may not be the right one for you.
