

Commercial Clothing Floor-Standing Hanger High Capacity Curved Clothes Bar Storage Rack 160cm

RRP: \$394.95

Presenting a premium modern-style display stand, this hanger is crafted from high-quality metal with a robust hook. The high-temperature spray painting process ensures durability and prevents deformation, while pickling and phosphating contribute to a long-lasting finish. The frosted non-slip storage pole design enhances windproof and reinforcement features, accommodating clothes of various lengths for easy daily hanging and storage. The round metal base provides stability for your decorations without causing damage to your clothes, making it suitable for different decoration styles.

Ideal for placement in the living room, bedroom, walk in closet, or clothing store, this beautiful coat rack elevates the aesthetic of your space. It not only enhances the appeal of your clothes but also contributes to a delightful mood. Additionally, it serves as a perfect display for your unique collection, accentuating and showcasing your hanging collectibles with elegance. This display stand's large size is best for spaces.

Assembly is simple and fast, requiring no additional tools, and can be easily disassembled by one person. The stand is easy to clean and maintain – a quick wipe with a damp cloth is all it takes to keep it looking pristine.
