

Cactus Cat Tree Tower Scratching Post Scratcher Kitten Condo House Play Bed Toys

RRP: \$124.95

The cactus-shaped design of this cat tower brings a playful touch to any home, adding a stylish flair that surpasses most cat toys on the market. The cat tree features full sisal-wrapped posts, effectively preventing your feline friend from damaging furniture, curtains, and more, ultimately saving you money.

Measuring a compact 85cm, this cat tree provides your beloved cat with a designated space without taking up excessive room, a win-win for both you and your kitty. The top-level hammock offers a cozy spot for extended cat naps, thanks to its circular shape, it's perfectly suited for curling up.

Enhancing the entertainment factor, a fluffy pom-pom encourages your kitty's hunting instincts as she playfully bats it back and forth. Importantly, these pom-poms are designed to release with excess pressure, ensuring your cat's safety during playtime. This cat tree combines functionality with delightful features for both you and your feline companion.
