

Universal Barrel All-purpose Gun Cleaning Kit for Rifle Pistol Shotgun Muzzleloader

RRP: \$119.95

Our durable cleaning kit is versatile, suitable for most types of pistols, rifles, muzzle loaders, and shotguns. It's an essential tool to keep all your firearms in excellent operating condition, catering to hunters, law enforcement officers, gun range enthusiasts, and professional shooters alike.

Crafted from high-quality material, our case ensures your cleaning supplies stay organized and easily accessible. Featuring a carrying handle, buckle type locks, and moulded caliber labels, all packaged in a lightweight design, it offers convenience and practicality.

With jags, loops, accessory adapters, and cleaning rods made from high-quality brass, you can clean your firearms without worrying about causing damage. Designed with top-notch materials, our kit provides outstanding value for money, allowing you to allocate more of your budget to ammunition and firearms.

Our comprehensive kit includes all the accessories necessary for cleaning and maintaining your firearms in one convenient package. Spend less time cleaning and more time shooting with our kit. Refer to the description below for a full list of contents.
