

6 piece Tesla Model Y Floor Mats for Front and Rear Trunk Front Passenger and Driver Side

RRP: \$439.95

Experience the ultimate in floor protection with our non-toxic and odorless TPE material car mats. Tough, durable, and easy to clean, they outperform traditional PVC mats with enhanced wear resistance, heat resistance, and flexibility in hot or cold weather. The raised sides provide extra protection against spills and wet items, keeping your car interior looking pristine.

Enjoy all-weather protection with our customized design tailored specifically for the 7-seat model Y. This full set of mats includes floor mats, frunk mat, trunk mat, and trunk seat back mats, ensuring comprehensive coverage for your vehicle. Designed to fit the contours of the 2021-2022 Tesla Model Y interior and similar vehicles, these mats offer a perfect, snug fit for your car.

Cleaning your car mats has never been easier. Simply spray water on them, and the stains effortlessly flow away with the water. For a quick dry, wipe them with a rag after washing, and they'll be ready to use in no time.

Looking for the perfect gift for a car owner? Look no further! Our car accessories make ideal presents for any occasion, from Valentine's Day to birthdays, anniversaries, Mother's Day, Father's Day, Christmas, and more. Whether it's for him, her, or yourself, our mats are sure to be a hit!
