

Garage Slatwall Retail Store Display Wall Mount Storage J Hooks

Out of Stock: \$34.95

Crafted from carbon steel, these slatwall hooks boast strength and reliability. Following the chrome electroplating process, they exhibit enhanced resistance to corrosion and wear.

Offering affordability and catering to your daily need, these provide ample display opportunities for your store's merchandise. Attaching them to display racks facilitates a comprehensive product showcase. Moreover, uniform sizing lends a neater and more visually appealing display.

Adaptable to a variety of slot-compliant slatwalls, installation is hassle-free. Simply position them on either side of the panel slot, secure them in place, and slide them to your desired location with ease.
