

Side Table for Living Room End Coffee Table

Out of Stock: \$114.95

Featuring a slate tabletop with a reinforced surface, our coffee table boasts durability and longevity. Crafted from solid materials, it's built to last. With its clear texture, smooth surface, and resistance to scratches and water, our side table is a breeze to maintain.

Designed in a sleek C-shape, it snugly fits beside your sofa, while its centrifugal base ensures effortless mobility. Slide it under your sofa or bed as desired, with three stylish options to choose from.

Safety is paramount – the tabletop's rounded corners are meticulously polished to prevent accidents, making it ideal for family homes.

Versatile and practical, this coffee table is perfect for holding books, laptops, phones, or enjoying tea and coffee. Ideal for the living room, study, or bedroom, it maximizes space efficiency.

With a securely welded base engineered for stability and resilience, you can trust our table to stand firm wherever you place it. Choose with confidence, knowing it's built to last.
