

Garden Hose Nozzle Pet Shower Car Wash Leak-Proof Hose Hand Sprayer Switch

Out of Stock: \$34.95

Experience versatility at your fingertips with our garden hose nozzle selector. Simply rotate and click through a range of settings including fog, cone, flush, flat, center, spray, and shower, adapting effortlessly to your watering needs.

Say goodbye to complicated setups with our hose hand sprayer, designed for easy foam generation. Just fill the bottle with detergent, adjust the amount of foam using the rotating switch, and you're ready to go.

Crafted from zinc alloy and plastic, it provides a secure and comfortable grip, ensuring a non-slip hold even during extended use. With fine workmanship and a quick coupling design, it delivers a tight and durable fit, eliminating the frustration of water leakage.

Discover endless possibilities with our multipurpose garden hose nozzle. Perfect for watering plants, lawns, and yards, it also serves as a convenient tool for car washes, pet showers, and more, making it an indispensable addition to your outdoor toolkit.
