

Roof Pergola Gazebo Shed Matte Black Steel Brackets and Black Screen DIY Kits

RRP: \$599.95

Elevate your outdoor space with our roof pergola steel brackets*, the perfect solution for building a sturdy and stylish outdoor structure. Compatible with lumber, wood or composite materials, these brackets offer versatility, allowing you to create a wide range of pergola designs that suit your unique aesthetic.

Experience superior quality with our pergola brackets*, crafted from high-quality steel to withstand the elements and stand the test of time. Their durable construction ensures reliability, even in challenging weather conditions, providing you with peace of mind and long-lasting performance.

Say goodbye to complicated installations with our easy-to-use brackets*. Designed for effortless setup and minimal maintenance, simply attach them to your wood or composite material using the included hardware, and you're good to go. Enjoy hassle-free installation and start enjoying your new pergola in no time.

Each kit comes complete with all the hardware you need for installation, including screws and brackets, ensuring a hassle-free setup process. With everything included, you can have your new pergola up and running in no time, ready to enjoy outdoor gatherings and relaxation. (*Lumber not included.)

This set is recommended for beam length of less than 3.5m, and the recommended column height is less than 3m.
