Adjustable 900x900mm Double Sliding Door Glass Shower Screen in Chrome

Out of Stock: $949.95

Introducing our stunning sliding double-door shower enclosure, meticulously designed to enhance your bathroom with a perfect blend of style and practicality. Crafted from top-tier 6mm safety glass, this sophisticated shower door seamlessly integrates into any bathroom or renovation project. Effortless operation is guaranteed with the state-of-the-art 16-wheel system, providing a smooth and noiseless experience when opening and closing the doors. Moreover, maintaining its pristine condition is a breeze, thanks to the convenient quick-release door feature.

This refined sliding double-door enclosure not only captivates with its beauty but is also engineered for enduring quality. Backed by a waterproof guarantee, it features magnetic seals and high-grade chrome hardware, ensuring resilience against rust due to its stainless steel components. The accompanying side panel offers a universal fit, allowing for versatile right or left-hand installation with a 100mm wall adjustment.

At Della Francesca, we take immense pride in crafting shower screens of unparalleled quality. Our products not only elevate the visual appeal of your bathroom but also withstand the demands of family life, ensuring sustained allure and functionality. Elevate your bathroom experience with Della Francesca today!
