

XL Elevated Trampoline Pet Bed Dog Puppy Raised Heavy Duty Large Hammock Mesh Grey

Out of Stock: \$94.95

Crafted with the active pet in mind, your metal raised pet bed stands as a fortress against the wear and tear of playful antics. It withstands the scratches and nips of numerous dogs or even cats, inviting them to flop onto their newly adorned bed frame.

Indulge your beloved dog or cat with the comfort they deserve on their very own raised bed. Enhance it with a snug dog blanket for added coziness. Your discerning dog will undoubtedly declare it the ultimate canine haven, a place they can truly claim as their own. Elevated from the floor, it wards off any potential moisture issues, ensuring a dry and comfortable rest.

Simplify maintenance with a quick wipe to keep your pet bed pristine. Designed with the needs of scruffy pets in mind, it remains resilient against the challenges of muddy paws and shedding fur. While keeping your pet clean may pose its challenges, maintaining their bed's cleanliness is a straightforward task, crucial for promoting their optimal health.

Unbox your new luxury dog bed and effortlessly assemble it using the included Allen key. With their new sanctuary in place, your faithful companion can luxuriate in comfort. Whether nestled indoors or sheltered outdoors, their new haven beckons, ready to cradle them in relaxation.
