

A Frame Sign 60x90cm Sidewalk Plastic Poster Board Outdoor Display

RRP: \$84.95

Constructed with a robust steel structure, the A-frame sidewalk sign guarantees durability and resilience. Its sleek surface is coated in black, not only ensuring rust resistance but also enhancing its aesthetic appeal. The A-frame configuration, coupled with anti-skid feet, ensures steadfast stability during use.

This versatile sandwich board accommodates two signs with distinct content, amplifying visual directions for enhanced promotion and attention-grabbing displays. Its foldable design facilitates effortless transportation and storage, with a convenient handle on the top frame for portability. Additionally, the display stand can be disassembled for compact storage when not in use.

Inserting or removing posters is a breeze thanks to the top slot design, enabling swift changes within seconds. Simplified installation methods allow for easy poster adjustments with just one hand, streamlining the display process.

Ideal for a myriad of applications including guidance and advertising, these metal sign frames are suitable for both indoor and outdoor use. Whether in supermarkets, corporate settings, exhibitions, job fairs, weddings, hotels, shopping malls, or annual meetings, this A-board sidewalk sign serves as the perfect display tool.
