

## Wood Timber Folding Loft Ladder Hatch 55cm x 120cm (H 280cm) Attic Stairs

---

Out of Stock: \$1,049.95

Discover the perfect blend of functionality, durability, and affordability with our premium loft ladder. Crafted from high-quality pine wood and meticulously manufactured, this ladder effortlessly enhances any interior space.

Our ladder is designed as a sleek 3-section folding ladder, it discreetly tucks away into the ceiling, optimizing loft space utilization. The insulated hatches in elegant white boast a substantial 26mm thickness and exceptional heat insulation of 1.22 W/m<sup>2</sup>K. Each tread is secured with dovetail joints for added durability and includes specialized grooves for slip-resistant safety.

Installation is a breeze with a user-friendly system that allows quick setup by two individuals, adjusting seamlessly to fit various room heights. Delivered fully assembled, it eliminates the need for any pre-installation work.

Ensuring both security and convenience, our ladder features a stable and durable handrail that can be easily positioned on either side to suit your preferences. The craftsmanship and attention to detail guarantee a superior product that satisfies even the most demanding customers. With a sturdy weight capacity of up to 160kg, it offers peace of mind along with practicality.
