Out of Stock: \$39.95

Elevate your drinking experience with the 2x Ice Cube Tray Ball Mould Cube Silicone For Whisky Cocktails by Randy & Travis Machinery. Designed to keep your drinks chilled for hours without diluting them, these versatile ice cube trays enhance the taste and quality of all your favorite beverages. Perfect for whiskey, cocktails, and more, these multifunctional trays are also great for making DIY snacks and treats.

Made from food-grade silicone, these trays are safe, durable, and easy to clean. They are ideal for freezing juice, soda water, milk, coffee, cola, and more. Perfect for improving the taste of whiskey, red wine, cocktails, champagne, and more. Also great for making DIY snacks like pudding, chocolate, ice pops, fruit jelly, cake, and baby food.

The ice ball tray creates six large 4.3cm ice balls, perfect for whiskey, cocktails, tea, coffee, milk, champagne, and brandy. The square ice cube tray makes six giant 5cm cubes, ideal for Scotch whiskey, bourbon, blended whiskey, and cooling cocktail glasses.

Easy to use: simply fill the lower compartment with water, press the top compartment until closed, and freeze overnight for the best results. The flexible silicone material ensures easy removal of ice cubes. Just twist or push the trays from the bottom to release the ice.

These trays are reusable, stackable, and dishwasher safe, making them easy to clean and store.

The food-safe silicone can withstand temperatures from -40°C to 230°C , making it suitable for the freezer, oven, and microwave.

Experience the ultimate in drink chilling. Order yours today!
