Out of Stock: \$34.95

Enhance your culinary experience with the 8" Wooden Salt and Pepper Grinder by Randy & Travis Machinery. This elegantly designed grinder, made from premium wood, stainless steel, and ceramic, keeps your spices fresh and flavorful. The adjustable ceramic grinder offers five stages of coarseness, allowing you to customize your seasoning with ease. Perfect for any kitchen or dining setting, this manual grinder is both functional and stylish.

Made from high-quality wood, this grinder preserves the taste and aroma of your spices without any contamination. Featuring a non-corrosive ceramic grinder with five adjustable settings, from coarse to fine, this manual grinder is durable and efficient, ensuring no mess with your delicious meals.

Easy to use, simply twist to adjust the coarseness and grind your spices effortlessly. Ideal for picnics, restaurants, dinners, parties, BBQs, and more. Suitable for sea salt, coarse salt, Himalayan salt, whole peppercorns, and various other spices.

Elevate your seasoning game with the 8" Wooden Salt and Pepper Grinder. Order yours today and enjoy freshly ground spices with every meal!

### Specifications:

- **Material:** Wood, Stainless Steel, Ceramic
- **Quantity:** 1 pcs
- **Item Weight:** 0.24 kg
- **Operation Mode:** Manual
- **Dishwasher Safe:** Yes

### How to Use:

1. Unscrew the stainless steel nut on the top.
2. Open the round wooden cover and pour in your peppercorns, sea salt, or other seasonings.
3. Screw the cover back on and secure the top nut.
4. For a fine grind, turn the nut clockwise.
5. For a coarser grind, turn the nut counterclockwise.
6. Turn the cover clockwise to grind the seasonings and release their fresh aroma.

### Note:

- Please turn the cover clockwise during grinding.
- Salt and peppercorns not included.
- Do not screw too tightly to avoid damaging the abrasive core.
