

Inflatable Drinks Holder Floating Ice Bar Pool Party

Out of Stock: \$34.95

Elevate your next party with this ultimate inflatable drinks holder and floating ice bar!

Introducing the Inflatable Drinks Holder Floating Ice Bar Pool Party by Randy & Travis Machinery. Made from 100% BPA-free, high-density PVC, this durable and reusable bar is designed for lasting use. Simply drain, deflate, dry, and store it for your next event. Just add ice, and this inflatable bar becomes a portable cooler to keep beers, sodas, and all beverages chilled, or to keep your salad bar options fresh and cool. A clear plug at the bottom corner allows for easy drainage and refilling with ice. Simply shift the bar slightly and drain into a bucket. Perfect for pool parties, this inflatable serving bar can float on water, eliminating the need to run to the kitchen. It's an excellent addition to any indoor or outdoor summer event, impressing your guests effortlessly.

Measuring 125 x 65 x 10cm, it's roomy enough to hold multiple bowls, dishes, drinks, and cans. Its convenient, inflatable, and portable design makes it ideal for picnics, family reunions, BBQs, beach weddings, and more. Weighing only 0.4kg, it's easy to transport and set up anywhere.

Make your next event a hit with this inflatable drinks holder and floating ice bar. Order now and bring the party to life with convenience and style!

Specifications:

- **Material:** 100% BPA-free, high-density PVC
- **Dimensions:** 125 x 65 x 10cm
- **Weight:** 0.4 kg

Note: Please do not over inflate; 80-90% inflation is sufficient. Ensure there are no leaks before use and avoid prolonged exposure to the sun. Air out the product for 1-2 days to help remove the slight smell.
