Out of Stock: \$69.95

Our wall decoration features an original design of a woman that seamlessly combines wire art with unique design elements, resulting in an exquisite and outstanding appearance. It serves as an artistic centerpiece that adds a touch of brilliance to your home decor.

Crafted from high-quality metal, our simple hanging wall decoration is built to last. It is reliable, durable, and resistant to rust, fading, and damage. The decoration measures 27.90 x 43.20cm, making it the ideal size to catch everyone's attention and effortlessly complement your space.

Experience the captivating hollow-out 3D shadow effect and minimalist line design that brings depth and dimension to your walls. The interplay of lines and shadows creates a modern single wire art aesthetic. The back of the decoration features two properly sized holes and comes with two nails for easy and seamless hanging, leaving no trace on the front and ensuring a flawless decorative design.

Our unique fashion-style metal wall decoration is suitable for a wide range of occasions, including study rooms, offices, dining rooms, restaurants, cafes, and above beds. It adds a touch of elegance to any space and is perfect for individuals who appreciate metal ornaments and minimalist designs. This decoration also makes a perfect gift for housewarmings, Valentine's Day, birthdays, or any other special occasion. The flower design symbolizes warmth and love, bringing joy and happiness to your loved ones' lives. It's a heartfelt gift that adds a touch of love and happiness to any space.
