Out of Stock: \$64.95

Elevate your kitchen experience with the Taco Tray Holder by Randy & Travis Machinery. Crafted from eco-friendly and sustainable bamboo, this durable tray ensures you enjoy restaurant-quality tacos for years to come. Perfect for Taco Tuesday, the tray features 8 separate taco slots for a beautiful presentation, making it an ideal housewarming gift and a must-have kitchen accessory.

This versatile tray includes removable pegs, allowing you to customize how many tacos or tortillas to serve. Whether you need a set of 4, 6, or 8 taco holders, this tray adapts to your needs. Its multifunctional design also allows it to double as a charcuterie board or party tray, perfect for serving sweet treats at your gatherings. It's the perfect taco gift for Taco Tuesday or anyone looking for a taco plate with dividers.

Beyond tacos, this bamboo tray serves as a chic accessory for serving hors d'oeuvres, cheese, or charcuterie. Use it as a cheese board, or fill it with charcuterie meats and accessories like crackers, jams, and butters. It even doubles as a dessert tray for mini cupcakes.

Included with the tray is a bamboo tong, perfect for adding fixings to your tacos, tortillas, or sandwiches. It also functions as a kitchen tong, ideal for safely removing toast without burning your fingers.

The tray features a convenient handle, making it easy to transport tacos from the kitchen to the dinner table. Its chic and stylish design adds a touch of luxury to your kitchen and dining experience, making it a standout piece for taco parties and decorations.
