

Oval Coffee Table Mid Century Modern Minimalist Display

Out of Stock: \$229.95

Upgrade your living space with the Oval Coffee Table Mid Century Modern Minimalist Display by Randy & Travis Machinery. Featuring a smooth, arc-shaped oval tabletop, this coffee table adds a delicate touch to your living room. Its wide surface offers ample storage space for potted plants, books, photo albums, tea sets, and more. It can also double as a Lego building table for kids. Perfect for dorms, apartments, small living areas, and compact spaces.

Crafted from oak woodgrain, this coffee table pairs beautifully with your existing décor. The round legs are made from natural solid wood, providing reliable support. The water-resistant finish makes it easy to clean spills with a damp cloth.

Assembled dimensions are 80 cm D x 55 cm W x 38 cm H, with the tabletop capable of holding up to 68 kg. This versatile table is ideal for small spaces, boasting modern and minimalist design elements.

The oval shaped coffee table embodies a classic minimalist chic that complements any room style. Its simple design is perfect for dorm rooms and small apartments, enhancing your décor with a touch of elegance.

Order now to add a blend of style, functionality, and charm to your home!
